

# POVILAS ŠIMONĖLIS

ARCHITECT / URBAN DESIGNER / ARTIST / GRAPHIC DESIGNER

mobile: +491601169418 / +37068746512  
email: simonelis.povilas25@gmail.com  
date of birth: 10-01-2001  
address: Cotheniusstraße 2, 10407, Berlin  
nationality: Lithuanian

## SUMMARY

Multidisciplinary Architect and visual artist, seamlessly integrating strong design aesthetics with technical urban planning (HOAI LPH 1-5). Leveraging a background in graphic design and public space infrastructure, I specialise in crafting compelling architectural narratives and executing them with precision. Currently based in Berlin and available for new opportunities.

## WORK EXPERIENCE AND SKILLS

03/2026 - present

**Road and street planner/draftsman** at “Kelių projektavimas” (Vilnius, Lithuania), experienced in:

- **Street & Intersection Design:** Designed efficient and safe urban streets and complex intersections using Civil3D / AutoCAD for 5+ municipal projects.
- **Surface Grading & Drainage:** Executed surface grading and 3D modelling to ensure strict compliance with drainage, accessibility, and landscape requirements.
- **Traffic Management:** Developed traffic flow management and organisation schemes for complex urban street networks.

08/2023 - 09/2025

**Junior architect and urban designer** at “BAULAND” (Vilnius, Lithuania), experienced in:

- **Architectural Planning:** Worked in architectural design and technical planning across various project phases (equivalent to HOAI LPH 1-5) for small-scale public projects.
- **Interdisciplinary Coordination:** Coordinated technical requirements and 3D models with civil engineers and external specialists using Archicad, AutoCAD, Dalux, Trimble.
- **Landscape & Public Space Design:** Developed landscape and public space designs, including parks up to 32 hectares, planning pathways, vegetation, and custom street furniture (benches, railings, signage) using Archicad, Land4, AutoCAD.
- **Urban Design & Analysis:** Conducted comprehensive urban analysis and developed masterplans/urban concepts for developments up to 75000 m<sup>2</sup> using Archicad, Sketchup, Adobe Suite.
- **Building Code Compliance:** Evaluated architectural and urban projects to ensure strict compliance with local building regulations and international standards across 10+ projects in all planning stages.
- **Technical Documentation:** Prepared partial and complete technical documentation for various objects and planning stages.
- **Visual & Conceptual Representation:** Developed conceptual project narratives, artistic highlights (e.g., sculptures), and high-quality visualizations using Twinmotion, Adobe Suite.

09/2021 - present

**Freelance graphic designer and artist**, experienced in:

- **Branding & Visual Identity:** Developed comprehensive visual identities, logos, and branding guidelines for various organisations using Adobe Illustrator.
- **Commissioned Design:** Designed promotional materials and commissioned posters tailored to clients' specific marketing and event needs.
- **Art Exhibition Organisation:** Curated, organised, and presented a personal digital collage exhibition (2023), including narrative development and event coordination.

## EDUCATION

09/2022 - 07/2025

Vilnius Academy of Arts (Architecture, Integrated MA)

09/2020 - 08/2022

Vilnius Gediminas Technical University (Architecture, Integrated MA)

## LANGUAGES

Lithuanian (native), English (C1), Russian (C1), German (A2)

## SOFTWARE SKILLS

Adobe Creative Suite, Archicad, AutoCAD, Sketchup, Twinmotion, MS Office, Land4 (for Archicad), Arcgis (online), Civil3D, Rhino, Revit, Paragaphic
